

StoTherm™ NExT Commercial Window Sill with Fillet Perimeter Seal

Detail No.: 10.26b

Date: October 2007

Notes:

1. Provide a mock-up installation and test using materials and substrates associated with the project.
2. Protect rough opening against water penetration by wrapping with Sto Gold Fill with Sto Detail Mesh and StoGold Coat. Direct any water penetration to the exterior at or above the sill pan flashing. (Refer to Sto details 10.24b and 10.25b).
3. Provide continuous air seal connection around the perimeter of the window to reduce: leaking, condensation related to air movement and sound, and insect intrusion.
4. Provide leak-proof sill pan flashing with end and back dams to catch any water penetration and direct it to the exterior of the wall assembly.
5. Verify suitability of fillet seal configuration. Consult sealant and window manufacturer.

Sto Gold Coat and Sto Gold Fill are registered trademarks of Sto Corp.

ATTENTION

Sto products are intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. They should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of Sto products or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to Sto products, and to the structure of the building or its components. **STO CORP. DISCLAIMS ALL WARRANTIES EXPRESS OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME.** For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, www.stocorp.com.
