

Innovation, Tradition and Technology

Sto World Wide

Sto Corp. is the innovative world leader in cladding, coating and restoration systems. It was a pioneer in advanced coatings and building technologies in Europe long before coming to the U.S. in 1979. Sto was also a pioneer in the Insulated Wall Claddings marketplace in Europe in 1963. Our expertise worldwide is unmatched.

Areas of Business

Sto Corp., based in Atlanta, Georgia, today offers the following outstanding product systems to meet the new construction and renovation needs of residential, commercial, and institutional markets in North America:

- ❑ A complete line of insulated wall claddings, including Sto EIFS NEXT® (New Exterior Technology)
- ❑ A complete line of stucco products, including Sto Powerwall® NEXT
- ❑ Waterproofing/Air Barriers, including StoGuard™
- ❑ Architectural coatings, including StoCoat™ Lotusan®
- ❑ Concrete façade and exterior repair products

Why Choose Sto?

Sto offers a wide range of services and customer support including:

ATTENTION

This product is intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. It should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of this product or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to this product, and to the structure of the building or its components. STO CORP. DISCLAIMS ALL WARRANTIES EXPRESS OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME. For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, www.stocorp.com.
