

Sto Coatings For Insulated Concrete Forms (ICF) Features

Detail No.: 17.06

Date: November 2007

Notes:

1. Add features using EPS foam shapes bonded to the ICFs with Sto BTS Plus, Primer/Adhesive-B or Sto Dispersion Adhesive. Foam shape installation shall conform to Sto Details 1.04a or b.
2. Install Sto Base Coat over the features and onto the wall surface and immediately trowel in Sto Detail Mesh.
3. Install Sto Base Coat and Mesh on the rest of the wall overlapping the application from the features.
4. Install Sto Flexyl* and mesh over weather exposed sloped surfaces (Sto Detail 1.04a) and lapping onto the vertical services 4" to 6" (100 to 150 mm).
5. Prime the base coat with Sto Primer.
6. Install Sto Finish when primer is dry.

* Sto Watertight Coat is an acceptable substitute for Sto Flexyl.

ATTENTION

Sto products are intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. They should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of Sto products or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to Sto products, and to the structure of the building or its components. STO CORP. DISCLAIMS ALL WARRANTIES EXPRESSED OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME. For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, www.stocorp.com.
