

StoCreativ[®] Lux

Textured wall surface finish

Facades

Interiors

StoCreativ[®] Lux is a luxurious finish combining texture and depth of natural stone with reflective materials to create a sophisticated durable, versatile and low maintenance wall surface.

StoCreativ Lux is an acrylic-based interior and exterior textured wall finish, that can be used for new construction or renovation. It is trowel-applied and designed to provide a unique modern look with the added luster of reflective materials in a versatile lightweight finish surface.

Creativity. From start to finish.

StoCreativ Lux goes beyond the look of traditional finishes and it's easier to install, which means reduced structural requirements, fewer specialty trades and greater cost savings. StoCreativ Lux unlocks countless design possibilities. And the variety and versatility of finishes provides almost limitless opportunity for creativity coupled with cost savings and the performance you need. Available in 7 different colors, this extremely durable finish can be applied onto very intricate architectural shapes and in Sto's rainscreen, EIFS, stucco and cement board engineered systems.

StoCreativ Lux unlocks countless design possibilities. And the variety and versatility of finishes provides almost limitless opportunities for creativity.

30300 Iridescent Pearl ■ 34
