- Identify, receive, inspect and unload delivery trucks for disbursement of goods
- Pull orders from shelves and prepare them for loading
- Assist in periodic inventories of goods
- Record inventory of materials or items received or distributed via appropriate computer program
- Maintain and ensure the warehouse is accessible and safe for salespeople and customer traffic
- Ensure that all paperwork is properly filed for record-keeping
- Learn the Sto color program and how to tint pails of finish and coatings
- Tint product orders as needed
- Create color and texture samples, including matching requested colors
- Complete weekly dispenser calibration checks, record data and file
- Complete required dispenser maintenance as assigned
- Complete daily forklift inspection checklist
- Maintain records of customers in DTA and file dab sheets, samples, slim sticks
- Perform minor repairs
- Perform related tasks as required

Skills/Knowledge/Abilities:

- General knowledge of warehouse/storeroom and inventory practices
- Must have strong customer service skills and the ability to multi-task
- Must possess ability to count and inspect materials accurately and thoroughly
- Strong organizational and interpersonal skills are necessary to meet the demands of the position
- Ability to operate forklift and common warehouse equipment

About Sto Corp.: <https://www.stocorp.com/>

- Ability to establish and maintain effective working relationships with associates
- Ability to follow oral and written instructions in English
- Flexible regarding work assignments
- Dependable
- Self-starting

* Must be willing and able to work off-hours and overtime on the weekends as needed

Physical/Mental/Environmental Demands

- This job involves the following physical demands: Walking, standing, bending, stretching, using hands and fingers to hold, grasp, push, and lift items
- A large percentage of work time is spent in a warehouse where temperatures can range from cool to hot and noise level can be moderate to high
- Must be able to lift up to 80 lbs.

Education/Experience:

- High school diploma or GED or equivalent combination of education and experience
- 3-5 years of prior warehouse technician experience
- 1-2 years color tinting experience in a distribution or retail environment
